Makawao Literary Society Enjoys Its March Evening—Sugar Around the Horn.

MAUI, March 20.—The March evening of the Makawao Literary Society took place last evening in the parlors of the Pala Foreign Church. The function was largely attended, and the following program was full of spice and variety:

Piano Solo.....Mrs. W. O. Aiken
Reading—The Brownies in March.....Miss May Baldwin
Trio—Three Naughty Boys from School.....Messrs. Baldwin, Nicoll and Lindsay.
Recitation.....Miss Lottie Baldwin
Solo—The Little Green Apple.....Miss May Baldwin
Vocal Solo.....Miss Kate Watson
Vocal Solo.....Mr. H. H. Shaw
Reading of an Original Poem.....Mr. W. E. Shaw
Vocal Solo.....Miss Fleming
Whistling Chorus—Listen to the Mocking Bird.....

Miss Baldwin's reading was illustrated by a series of interesting tableaux. In which brownies were prominent. The trio was a humorous parody on Gilbert & Sullivan's "Three Little Maids from School." Mr. Shaw's original poem was entitled, "Star of Hawaii," and dealt with the popular subject of annexation to America. Miss Fleming's simple solo, "Old Country," was rendered most artistically. Mrs. and Miss Roberts, Mrs. Robert Lewers, Mrs. Ainsworth and Mrs. McKay were among the strangers present.

Wednesday evening, the 17th, the Knights of Pythias' ball took place in the large hall of the Walluku skating rink. The interior was most lavishly decorated with gay bunting and ropes of ferns. Fifteen large American and Hawaiian flags adorned conspicuous places, and on the left wall appeared a most attractive design bearing the emblem of the order, surrounded by the inscription, "Welcome—Aloha Lodge, No. 2, K. of P." The grand march took place at 8 p. m., under the direction of Floor Manager W. H. Campbell, assisted by an efficient committee, and the clock pointed to 1 a. m. ere the final dance was finished. A fine supper was enjoyed at midnight by the hundred guests present.

Wednesday morning, the 15th, the Japanese "light brigade" of Spreckelsville was again on the march. This time it was "forward" to Kahului to greet their Consul General who did not arrive, but in his stead the secretary of the Japanese American and Paul Neuman, who will defend the leaders. After a short stay they marched quietly back again. It is true, that during the night of their Walluku visit (the 12th) the town was patrolled by about 50 police and citizen guards. No demonstration whatever was reported. The trial of the five leaders will take place on the 22d.

Mrs. Roberts and Miss Roberts are guests at Haku. Mrs. Robert Lewers who has been at Mrs. H. B. Bailey's for some time, returns to Honolulu today to see her husband prior to his departure for California. Miss Every of England, who recently "has done" Australia, Samoa and Fiji, is also at Mrs. Bailey's. Inspector General Townsend has gone to Hana overland and Mr. J. P. Cooke is in Kona.

Mrs. W. O. Aiken of Hanaleiapo gave an afternoon tea Thursday. There were between 20 and 30 ladies present, and each one brought a photograph of herself as a child. The occasion was made most pleasing in a social way by the recognition of the different likenesses.

The schooner Allen A. Schage master, arrived on the 17th, 23 days from New Whatoom, Wash., with a deckload of lumber for Kahului Railroad Company, and the balance for Mahukona. The schooner H. N. Kimball, Guttersen master, arrived on the 18th, 13 days from San Francisco, with general merchandise for Haku and Paia.

Departures today, the 20th: The schooner H. C. Wright, Olsen master, with a cargo of Haku and Paia sugar, for San Francisco markets. On the 17th, the J. C. Glade, Stege master, sailed out in fine style, laden with 22,098 bags of Paia, Hanaleiapo and Spreckelsville sugar. This is the first shipment direct from Kahului to New York. On the 20th the schooner Allen A. sailed to Mahukona to deliver the balance of her lumber.

The schooner Albert Myer will sail with a sugar cargo in several days. The brig Lurline is expected.

The weather, generally, is pleasant, with the customary trades from the northeast.

STRUCK BY LIGHTNING.
Kauai Treated to Most Severe Weather.

KEALIA, Kauai, March 20.—Sunday (the 14th inst.) a second severe thunder storm visited this section, causing considerable damage. John W. Neal's residence at Kapaa was struck by lightning, causing consternation to the inmates, but injuring no one. The storm continued with increased violence during the night and Monday.

The rainfall exceeded any experienced in this section for years past. Wash-outs and damage to roads are reported throughout the district.

Early in the morning of Friday (the 19th inst.) Mrs. Frank B. Smith of Kealia presented her husband, who is timekeeper in the office of the Makae Sugar Company, with a six-pound daughter. Mother and child are both doing well.

The James Makee was unable to effect a landing at Kapaa Tuesday morning, owing to the heavy sea, and was obliged to put in at Hanalei. After waiting a day she returned to Honolulu without discharging Kealia and Kapaa freight. Friday morning she returned and succeeded in making her moorings at Kapaa, and landing her freight, after which she loaded 2,500 bags M. S. Co.'s sugar, and 230 do rice, and got away for the city the same afternoon. Balance of sugar in warehouse at Kapaa, 3,000 bags.

The weather is clear and warm, the wind shifting to the southward, with falling barometer, and prospects fair for some more thunder.

Young Men's Research.

The regular monthly meeting of the Young Men's Research Club was held at the residence of Rev. and Mrs. D. P. Birnie last night. Edward Farmer, a teacher at Kaili-aina, read a brief but interesting paper on "Single Tax." In it, Mr. Farmer presented his own views, and an analysis of the opinions of Henry George, Professor Ely and others. The strongest point in the paper was in bringing out the seeming injustice of the present system. Next month the subject for discussion will be "The Probabilities of the Japanese and Chinese Races Dominating in the West." After the discussion last night the club was entertained with refreshments by the host and hostess.

ALMOST A MIRACLE.

THE RESTORATION TO HEALTH OF A PROMINENT MAN.

Worn Out by Exposure and Broken Down in Health He Was in Misery for Months.

From the News, Clarksburg, W. Va.

In the interest of common humanity, your reporter has the honor to send you an interesting and profitable interview had with one of Harrison County's most highly esteemed citizens, concerning his narrow and miraculous escape from death. The person referred to is Mr. Floyd E. Barnett, of Jarvisville, West Virginia, who is well known throughout Harrison County and other sections of the State.

Mr. Barnett's narrative is as follows: "I live at Jarvisville, West Virginia, was born and raised there, and am thirty-nine years of age. I am a farmer by occupation, and the exposure and hardships incident to this life finally overcame a strong constitution, and in the month of May, 1894, I was seized with what the medical fraternity pronounced sciatic rheumatism.

The disease was first felt in the hip and soon became severely painful. Within a short time the whole lower extremity was affected and became terribly swollen, and at times the pain which was almost unbearable, extended up into the shoulder. I consulted the best physicians and specialists in the country, some of whom treated me some time, but to no successful purpose. I used various patent medicines and liniments of wide recommendation, but none of them gave relief. I worried along this way for some months, being unable to work, and at times unable to move. I became restless at night and could not sleep. The disease seemed to affect my heart, and it was utterly impossible to lie on my left side on account of the seriousness of the pain at the heart.

"My condition seemed a hopeless one, and I was much discouraged, when by chance I happened to read an account in the Wheeling Independent of the wonderful cure of a person afflicted like myself, that Dr. Williams' Pink Pills had effected. This was some time in the month of December. I immediately procured a box, and began to use them. A change commenced at once. I continued to take the pills, until I felt entirely cured. Today I am a well and sound man. The pills not only cured my rheumatism, but drove that troublesome pain from my heart as well. For more than a year now I have not been troubled in the slightest with either malady, or any other for that matter. I am a strong man and perform as much manual labor as any farmer."

Mr. Barnett is a man highly respected for veracity. His statements are corroborated by his neighbors, and his recovery is ascribed to the use of Dr. Williams' Pills. As he talked to your reporter, he showed every sign of being a man in excellent health, and only too glad to tell the simple story of how his life was saved by the use of the pills.

Dr. Williams' Pink Pills are not looked upon as a patent medicine, but rather as a prescription. They have been used as such in general practice for many years, and their success in curing various afflictions without any other medicines was so great that they were prepared in quantities, and placed within the reach of everyone. An analysis of their properties shows that they contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as leucoderma, ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, palpitation of the heart, and the tired feeling resulting from nervous prostration; all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. In men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature.

Sold by all dealers in medicine, and by Hollister Drug Company, Hoboken, N. J., wholesale agents for Hawaiian Islands.

"Disfigured For Life"

Is the despairing cry of thousands afflicted with unsightly skin diseases. Do you realize what this disfiguration means to sensitive souls? It means isolation, seclusion. It is a bar to social and business success. Do you wonder that despair seizes upon these sufferers when

Doctors fail, Standard remedies fail, And nostrums prove worse than useless? Skin diseases are most obstinate to cure or even relieve.

It is easy to claim to cure them, but quite another thing to do so. CUTICURA REMEDIES Have earned the right to be called Skin Specifics—

Because for years they have met with most remarkable success. There are cases that they cannot cure, but they are few indeed.

It is no long-drawn-out, expensive experiment.

25c. invested in a tablet of CUTICURA SOAP Will prove most convincing.

In short, CUTICURA WORKS WONDERS And its cures are simply marvellous.

SPEDDY CURE TREATMENT.—Warm baths with CUTICURA SOAP, gentle applications of CUTICURA (ointment), followed by mild doses of CUTICURA RESOLVENT (the new blood purifier).
